Are we done with the search!?

It's tax evasion!!

It's about time you confess to it already, Nishiyama.

Ushi-yama,

Damn it, stop getting shocked over every damn thing! Get on with the interrogation already!!

Time to use the Lie Detecting Machine!

Allow me to explain the rules.

Ooii, officer, what the hell is this!!

Now answer me, did you do it?

STARTING FROM PART 2, JUUZAI WILL ALSO BE RELEASED ON GEKKAN SHONEN GAN GAN!

CHAPTER 25 - ASSASSIN ARC 3

THE LONG AWAITED VOL.2 WILL BE RELEASED ON THE 22ND OF OCTOBER!!

山内 泰延

Even though I'm still not done with my mission of killing off that moustached guy,

I've been dispatched to another urgent assignment.

孤高の殺し屋。。。

and the target is this guy who has been kicked out of said syndicate.

The client is an upper echelon of a certain crime syndicate

Well, such stories are a dime in a dozen. I just got to hurry and get it done with.

That's the guy huh .. Kamegaya Akira, 31 years old

Kamegaya Where have I heard that name before?

!?

A-Akira
-kun...?

!

.....

Could it be you're

Megasawa-san ?

y-yeah.

Yeah

It sure has been a while huh. Since what, middle school graduation, was it.

.....

So, what brings you here?

I just... happen to see you here... from outside...

I didn't think we'll get to see each other again

I see...

Uh well, just working as a regular OL...

Eh !?

What have you been up to these days anyway?

Why did I lie about it... I'm such a fool!

No wait, it's not like I can just say that I'm now an assassin

There's no way I can tell Akira-kun something like that...

Mega-swa-san, I've been with the mob.

Though I've now been canned from that stint.

In the end, I didn't achieve anything... nothing more than a complete failure

So please,

just forget all about me

It puts me at ease to see that you're making an honest living.

N-no, you've got it wrong, Akira-kun!

I'm, I'm also-

Sorry but, I'll probably only be

a hindrance to you.

I'm really glad that I got to meet you. Farewell.

Hmm?

!

Man, that sure is one heck of a hottie. Was that your first love, Kamegaya-san?

But you know,

having not seen her for so long,

Well, pretty much ..

I'm shocked by how old she's become.

Now it kinda feels like my memories have been tainted

If that's how it was going to be, I would rather we have not met Seriously, just let me die already

Even though the girl in my memory was so cute too.

The designated setting?

However, stealing isn't good, you know?

What on earth have you been going on about?

This old lady here only wants to see you become an upstanding individual and understand that even if it's a game, stealing is something that should not be done

CHAPTER 34 - SCAM ARC 3

山内泰延

HERE'S THE 1ST CHAPTER OF 2015!
I'LL BE IN YOUR CARE AGAIN THIS YEAR!

パソコン教室

It's embarrassing that even at my age, I still don't know how to use computers

so I signed up for a computer class.

I'm sort of regretting it at the moment

there probably isn't a need to go this distance to learn it

However, now that I think about it,

!!

DON'T YOU DARE BE LOVEY-DOVEY IN THE CLASS-ROOM!!!

I am Harai Monzen and have been given the responsibility for today's lecture

I thank this country for making it so easy for others to take up classes

Everyone, let's all do our best!

〒160-8430 スクウェア・エニックス ガンガンONLINE編集部「日向綾先生に励ましのお便りを出そう!!」係

Ah, by the way, there's something that has to be done before we formally starts the class

Well, to put it simply,

in order to find out how much everyone already know,

we're going to have a little test

You over there Do a one shot gag

OH GOOD GRIEF!! WHY THIS AGAIN!

DOING A ONE SHOT GAG HAS GOT NOTHING TO DO WITH A COMPUTER CLASS AT ALL!

Computer class?

What on earth are you talking about? This here isn't a computer class

It's the class for Conversations in English

THAT MAKES IT EVEN LESS RELEVANT!

I'll do an impression of something

Uh ok then,

Ok, carry on

Fine I'll do it

You're doing it!?

So are you up for it, or not?

THE LONG AWAITED VOL.3 OF ZAI X 10 (JUUZAI) WILL BE OUT ON 20 MARCH!!!

CHAPTER 35 - MAD SCIENTIST ARC 3

It was said that just as his research succeeded, his ambition was put to an end by a young girl who beheld justice in her heart

There was once a Mad Scientist who had repeatedly carr ed out a series of inhuman experiments, all for the sake of attaining power beyond the limits of regular mortals

No matter what he did, he was unable to restore his body which had been trans-formed into that of a girl

However, the Mad Scientist Shibata Kyouhei hasn't given up

While hospitalized, he formulated plans on how to make a comeback

Dear,

I've brought Yomi along.

Mom! The door here slides open!

Em? Is that so?

GOOD TO SEE YOU HERE, YOMI!

OH!

SUCCEED MY WILL FOR ME!!

IT MIGHT BE SOMEWHAT SUDDEN TO SAY THIS, BUT I NEED A FAVOUR FROM YOU!

Un huh.

BUT THIS BODY OF MINE IS A HINDRANCE!

YOU'RE THE ONLY ONE I CAN TURN TO!

NORMALLY, I WOULD BE DOING IT BY MYSELF

I HOPE YOU CAN SNATCH BACK A CERTAIN THING FROM THE 10 MODIFIED HUMANS LURKING WITHIN THIS CITY!!

THERE'S JUST ONE THING YOU GOT TO DO FOR ME!

Unm.. who on earth are you?

.....

EEEE EHH !?

This girl is your elder twin who was separated from you at birth.

It's going to complicate matters, so just shut up.

WHAT THE HECK ARE YOU SAYING? I'M YOUR FATH-

Well,

he's dead

W-WAIT, THEN WHAT ABOUT DAD?

WHERE DID HE GO?

NUU!!

AREN'T YOU THE ONE COM-PLICATING THINGS!

GYAAA !!

OBVIOUSLY, IT'S SO THAT I CAN RE-STORE MY BODY TO WHAT IT WAS-

Like I said, that kind of talk is going to complicate matters, so just shut up about it.

...so uh

why do I have to do those things?

Well, Yomi

are you up for it?

Anyway, I still have to go to work, so I'm going ahead.

Oh, oh sure.

I don't really get what's going on but since you seem to be in a tight spot, I'll give you a hand!

Thank you... and also sorry for dragging you into this mess...

THE END OF MAGICAL GIRL ARC PART 2!!?

Yomi... without even me realizing it, you sure have grown into such a sweet kid, haven't you...

No worries, I'll assist as much as I can

By the way, what's the hourly wage?

SCRAM, YOU DAMN FOOL!!

The man's ambition was thus extinguished right then and there.

Extra - Hidden Photography 3

W-why would you be...

Previously, the Handicrafts Club were involved in a showdown with the criminal and were saved by the principal of all people.

EH?!

He just wanted to kick down the door...?!

Looks like it's time for me to explain.

so as to take him down for good.

I've been reluctant about it but I ended having to use you guys as bait

I've been on the trail of this criminal for quite a while now.

Forgive me, I'm truly sorry for this.

This bastard's been pretty good at evading capture.

Uh, wait...

A... favour...?

...I have a favour that I need to ask of you all.

I need you all to eradicate the crimes going on in this school in my stead.

Can you handle it?

LIKE HELL WE CAN !!

However, if it's you students, then you've got considerably more freedom in how you can move about.

If anything happens, you can just be punished and then drop out of school. And there's plenty of you guys around too.

So I can easily find replace-ments.

As the principal, I'm not in the position to take any major actions.

Well, that's true...

DID YOU EVEN LISTEN TO WHAT HE JUST SAID?!

WE'LL DO IT!

WHAT THE HELL IS WRONG WITH THIS GUY?!

If you didn't agree, I would probably have had to kill you all.

Thank you.

WHAT THE HECK, YOU'RE THE PROTAGONIST ?!

continued fighting to exterminate the budding crime rates in the school...

Thus spake the tale of a man named Iwamura Toshio who, along with those students,
